Ladies

Are you looking for spiritual growth? Women's Connection at Central Christian Church is here to help you discover God's plan for bearing fruit in your life. We offer a place where you can stop, look and listen to God's Word and develop Godly habits for your life. We offer small group Bible studies to help you in your growth, along with places to connect with other women for friendship, encouragement and support. Special Events

This ministry is a group of support teams that make special events happen. It takes many behind-the-scenes women to make events come together and your help could be used in areas such as set-up, clean-up, decorating, food preparation, kitchen duties, ticket sales, shopping, phone calls, greeting, etc. The commitment is short and flexible, but the fellowship experienced while working will last and last.
